

Home Again

Monday, 01 March 2010 22:51

We got home yesterday afternoon but I felt too tired (especially of sitting) to write anything. It feels good to be home, to see the critters, and to sleep in our bed. Vacation photos - and a bit more text - will follow soon, along with Weeks 8 and 9 of 2010. Be warned - there are a lot of sock knitting pictures.
