

## A Balloon

Monday, 16 August 2010 01:06

---

Look what we saw this evening!

We'd have missed it completely if I hadn't needed to give my parents a ride home from the boatyard. As soon as I'd dropped them off I went home and told Rob about it. We took Abby with us down to the park. She and Rob walked around while I took a bunch of pictures (there are a few more over on [flickr](#)).
